A 'Parity' Tale

The grand old Duke of York,
He had ten thousand men
He marched them up to the top of the hill
And he marched them down again.

And when they were up, they were up;
And when they were down, they were down.
But when they were only halfway up,
They were neither up nor down!

NASUWT suspended its industrial action from 30th March 2009. What was it all about?
