This government of millionaires has declared war on the public sector. The Tories, traditional friends of Big Business, have decided that children's education and people's health must suffer through budget cuts imposed on the people to pay for the banking crisis.

Sir Philip Green legally does not pay his taxes. His government friends think that this is ok. Yet they have no qualms changing the law:

***TO REDUCE PUBLIC SECTOR PENSION INDEXATION***

***TO FREEZE PUBLIC SECTOR SALARIES***

***TO MAKE ALL PUBLIC SECTOR WORKERS PAY 3% MORE FOR REDUCED BENEFITS***

***Target the organ grinders as well as the monkeys***
