VSO Information Seminar for Educators

23rd March 2010

VSO in collaboration with INTO *Learning* are holding two Information Events in Dublin on the **23rd March 2010**.

Both seminars take place in the **INTO Learning Centre**, 38 Parnell Square, Dublin 1. The first seminar will run from **4.30 - 6pm** and will then be repeated from **6.30 - 8pm**.

The seminars will include information about VSO education programmes overseas, how you can make a difference, and practical information on the application process. A presentation by a recently returned VSO education volunteer will explore what it's actually like to volunteer with VSO.

Time will be allowed to ask questions and chat with VSO staff and volunteers. A member of staff from the INTO will also be on hand to help answer questions about taking a career break/volunteering post retirement. Refreshments will be provided on arrival.

Note: *The seminars are free of charge but as places are limited please register in advance by contacting Joanna on 01 8047758 or e mailing jobyrne@into.ie*
