INTO members to continue with action short of Strike Action

INTO congratulates our members on their stalwart support for the continuing action against the ongoing attacks on the education system arising from the savage cuts to the education sector. This action will continue at System Level and at individual School Level.

Therefore, from Monday September 5th 2016, until notified to the contrary, INTO members are instructed:

At a System Level:

• Principal members are neither to co-operate in the preparation of the Annual Governors’ Report nor to provide this report to any outside agency who may seek or request it;
• Principal members are to produce one annual financial plan per year, after the final school budget has been allocated. Such plans should only be reflective of the year immediately following the date of allocation;
• Not to provide DE or any other outside agency with any data or information requested about the school where this information or data may be used to rank, compare or assess the school. Members should continue to provide Annual Census Data to DE and the monthly returns;
• Continue with the boycott of the new Assessment Arrangements as per Bulletin No. 2 January 2016 (available on the INTO website).

At a School Level:
