Introduction

1. Circular 3/2012 withdrew sanction to pay certain allowances to new beneficiaries with effect from 1 February 2012, pending the outcome of a public service wide review of allowances and premium payments. This Circular is the outcome of that review as it applies to Teachers, as decided by the Government. This Circular supersedes Circular 3/2012 (as it applies to Teachers) and Circular 70/2011. The outcome of the review as it applies to Non-Teaching Staff will be notified in a separate Circular letter.

New Salary Scale and Hourly/ Daily Rates for appropriately qualified and registered New Appointee Teachers with effect from 1 February 2012

2. Qualification allowances were abolished with effect from 1 February 2012. The effect of this is that except for the limited exemption set out in paragraph 12 below, no such allowances may be paid to an individual for the first time after that date.

3. In the case of persons not eligible for the payment of qualification allowances in consequence of paragraph 2 above, the salary scale and hourly/daily rates at Appendix 1, sections 1 and 2 will apply from the time that the person is appropriately qualified and registered.

4. All teachers who are first appointed on or after 1 February 2012 to a teaching position in an Oireachtas funded post for which they are appropriately qualified and registered will start on the first point of the post-1 February 2012 incremental salary scale. However, incremental credit may continue to apply for relevant recognised service (e.g. recognised teaching service in another EU Member State). Similarly, those who leave teaching will be able to reckon such previous relevant service on re-entry, subject to paragraph 5 below.
Teachers in receipt of a public service pension who return to teaching

5. Any retired teacher who returns to teaching on or after 1 February 2012 will commence at the first point of the post-1 February 2012 incremental salary scale. The allowances listed in Appendix 2 will not be payable. No incremental credit for service prior to 1 February 2012 will be payable.

Unqualified rate of pay

6. The annual, hourly and daily rates at Appendix 1, section 3 shall apply to-

(i) an unqualified person, or
(ii) an unregistered person in a teaching post regardless of qualifications held, or
(iii) a registered teacher who is not appropriately qualified for the position to which s/he is appointed and

who is appointed to a teaching position in an Oireachtas funded post on or after 1 February 2012.

Withdrawal of sanction for payment of allowances to new beneficiary teachers

7. Sanction for payment to new beneficiaries of the allowances listed at Appendix 2 is withdrawn from 1 February 2012 as a result of the Government decision. The position in regard to qualification allowances is stated at paragraph 12 below.

Sanction to pay allowances to new beneficiary teachers, subject to modification/review
10. **Assistant Principal allowance**
Sanction is granted for payment to new beneficiaries of Assistant Principal allowance and equivalent (i.e. Director of Adult Education, Programme Coordinator at AP level and Supervising Teacher and Deputy Supervising Teacher in a Prison Education Unit), subject to a VEC or school having received specific written approval from this Department’s Teacher Allocation Section to fill such posts under current alleviation arrangements and where the appointment was made prior to 1 December 2012. Where a VEC or school has received such approval and the post remains to be filled, the VEC or school should contact Allocations section.

11. **VTOS Director and Assistant Director**
Sanction is granted for payment to new beneficiaries of the VTOS Director and VTOS Assistant Director allowance where the appointment was made prior to 1 December 2012. Where a VEC intends to appoint a VTOS Director or Assistant Director after that date, they should contact the Further Education section of this Department.

**Qualification Allowances**

12. In the case of persons **first employed in a qualified (and for appointments after September 2010, registered) capacity in a teaching position in an Oireachtas funded post on or before 4 December 2011** qualification allowances are payable in respect of qualifications acquired on or before 4 December 2011. No allowances are payable should the individual acquire a further qualification regardless of the purpose of the qualification or the date of commencement of the course of study. The sole exception to this general position arises where as at 5 December 2011, a teacher in employment on that date and eligible for receipt of a qualification allowance in respect of the post they held on that date, was actively undertaking a course of further study leading to an additional qualification, provided that the teacher does not cease to be a registered student on that course before its completion. Such individuals may apply to the Department/VEC as appropriate for a derogation from the general position within 3 months of the date of receipt of the award.

13. Persons **first employed in a teaching position in an Oireachtas funded post between 5 December 2011 and 31 January 2012** (inclusive) will be dealt with in accordance with the terms of the Government decision which imposed a cap on qualification allowances at a combined maximum value equivalent to that of an honours undergraduate degree. Where a teacher on first appointment is eligible for payment of an allowance below that equivalent to honours primary degree level he or she will, in common with existing teachers, not be paid any additional allowance should he or she acquire a further qualification.

14. Persons who are **employed in a teaching position in an unqualified capacity and who become eligible for the qualified rate of pay on or after 1st February 2012** will be placed on the payscales as outlined at Appendix 1, paragraphs (1) and (2) from the date on which they were appropriately qualified and registered. No allowances will be payable regardless of qualified status in another sector. Incremental credit may be payable for qualified service in another sector i.e. primary/secondary, community and comprehensive/VEC.
Unclaimed Qualification Allowances

15. Where a teacher has an entitlement to a qualification allowance prior to 05 December 2011 and has failed to claim this allowance, an application should be made for the allowance within a period of 3 months from the date of this circular.

16. For further information on entitlements to qualification allowances, see Appendices 4-7 to this Circular. It should be noted that these appendices do not apply in the case of teachers employed on a casual basis.
