1 INTRODUCTION

1.1 Travel expenses are payable to GAM/EAL (Learning/Language Support) teachers and resource teachers who are assigned to teach children in cluster arrangements and are required to travel between schools to undertake their teaching duties.

A cluster arrangement is agreed between two or more neighbouring schools where individual schools do not have sufficient GAM/EAL or resource hours to create a full-time post. A typical cluster is comprised of a base school and one or more non base school(s).

1.2 Travel expenses are payable in respect of the following journeys only:
   a) Travel between the base school and a non base school or between two non base schools where the teacher is scheduled to work in two or more schools in one day,
   b) Travel between the teacher’s home and a non base school for the kilometres travelled in excess of the distance between the teacher’s home and the base school.

1.3 Travel expenses arising from travel outlined at 1.2 above are tax free as set out in the Revenue document titled Income Tax, Statement of Practice SP-IT/2/07.

Members of Boards of Management, Principal teachers, GAM/EAL(Learning /Language Support) and resource teachers should familiarise themselves with this document and ensure that the conditions and terms outlined are complied with at all times.

1.4 Travel expenses are not payable in respect of travelling between the teacher’s home and his/her base school.

1.5 All official travel should be by the shortest practicable routes.

1.6 Travelling expenses are not payable where suitable alternative public transport is available.

1.7 The work schedule of the teacher for an academic year must be agreed between the Chairpersons of the Boards of Management and the Principals of all the schools involved in the cluster arrangement. It should be agreed at the beginning of the school year or as soon as possible thereafter. In the event that the work schedule must be changed during the school year, the changes must be agreed by the Chairpersons of Boards of Management and the Principals.

1.8 Work schedules should be arranged to ensure that minimum time is spent travelling between schools. Only in exceptional circumstances should a teacher travel between schools during the school day.

1.9 Travel expenses are not payable under the term of this circular for travel in connection with the purchase of equipment, books and materials or travel in connection with attendance at courses.
