1 **Introduction**

This document provides information on the **Home Based July Provision Grant Scheme 2019** and outlines the terms and conditions of the scheme.

2 **Purpose of the July Provision Programme Grant Scheme**

The July Provision Programme Grant Scheme is to provide funding towards an extended school year for children with a severe or profound general learning disability or children with an Autism Spectrum Disorder (ASD). The extended year is commonly known as July Provision or the July Education Programme and may also be referred to as the Extended School Year Scheme.

There are two elements to the July Provision Scheme

- 2.1 **School Based July Provision** – Schools that have special classes for autism and/or severe and profound learning disability can participate in the July Programme. The Department has contacted all eligible schools to invite them to participate. Further information on the school based scheme can be found on the Department's website at www.education.ie

- 2.2 **Home Based July Provision** Grant Scheme – where eligible students cannot be accommodated in a school based programme, funding may be provided towards the provision of 40 hours home based tuition.
- 2.3 Where the student’s school is running the programme, the child must avail of the school based July Provision.
- 2.4 **In 2019, Home Based July Provision for primary school children will run from 1st – 26th July inclusive. There will be no provision to make payment in respect of tuition provided outside of those dates. Post primary students may commence on June 4th and run for four consecutive weeks.**

3 **Application Process & General Information**

The application process consists of 2 elements

- a) Submission of a completed application form by parent/guardian
- b) Formal written approval from Department to commence tuition

- 3.3 **The Department does not keep lists of tutors available to carry out Home Based July Provision.**

- 3.4 To source a tutor for Home Based Provision for a child parents/guardians should advertise in local libraries/shops/community notice boards/newspapers or on education related websites. Local schools may keep lists of tutors interested in July Provision.

- 3.5 Parents/Guardians are advised to source a tutor at the earliest possible opportunity to allow for applications for registration/vetting to be made by the tutor to the Teaching Council of Ireland, if necessary.

- 3.6 Failure to complete the form in full will result in processing delays.

- 3.7 Tuition must not commence until **formal written approval** has been received from the Department.

- 3.8 The Declaration on page 7 of the Application Form confirms it is in order for this Department to share information, including PPSN, between the Revenue Commissioners, NCSE and the Department of Education and Skills to determine eligibility for the Home Based July Provision Grant Scheme, in processing payments and for statistical purposes.

- 3.9 The Department may also share information with the Teaching Council of Ireland in order to validate information provided by the tutor on the application form.

- 3.10 This information note, together with all relevant information, will be available to download from the Department's website - www.education.ie by selecting the "Parents" option on the home page.
- 3.11 All tutors providing home tuition, including July Provision, must be registered with the Teaching Council of Ireland. The registration must be valid for the duration of the tuition up to and including payment.

Before commencement of Home Based July Provision, all parents should be mindful of additional risks or potential dangers that may arise where new staff are recruited who may not be familiar with some students' highly complex medical or behavioural needs.

4 Eligibility for the Home Based Programme

- A) Pupils enrolled in a special school or in a special class in a mainstream school and who have an ASD diagnosis and/or a severe/profound General Learning Disability are eligible for home based provision if **the school* in which the child is enrolled is not providing the school based programme.**

Where the pupil's school is providing the school based programme the pupil will not be eligible for the home based programme.

- B) Pupils with an ASD diagnosis who are enrolled in mainstream classes in a school are also eligible for the home based programme.

The programme is not available to children who have yet to start school including those due to commence primary school in September 2019

***In this Information Note "school" refers only to a school as recognised under Section 10 (3) of the Education Act 1998**

5 Allocation of hours for the Home Based Programme

- 5.1 The total number of hours allocated are stated clearly in the sanction letter. No payment will be made for tuition hours in excess of the number sanctioned.
- 5.2 The maximum number of hours available under Home Based July Provision is **10 hours per week** for 4 weeks in July.
- 5.3 Tuition must be provided between 9am and 6pm, Monday to Friday only.

5.4 Tuition is provided on a 1:1 basis (exceptions may apply in the case of siblings (ref. paragraph 6 below).

5.5 **Tutors will not be paid for providing tuition in a group setting.** Special Education section may agree to facilitate a group arrangement between Parents and private providers under certain conditions. Such arrangements must be approved in advance by this Department. For further information on group arrangements please email JulyProvisionhome@education.gov.ie

6 Allocation of hours in respect of siblings

6.1 Allocations to siblings are reflective of the school grouping principle. This is where one teacher is allocated to a class of six pupils at the appropriate educational level, primary or post primary. The age or ability of siblings is reflected in their education level as determined by education and health professionals.

6.2 In general where a child is receiving their education in a class setting with other children of mixed age and ability, this should carry through to their July Provision. Accordingly it is considered appropriate, as in a school situation, that a tutor can provide tuition at the appropriate educational level to more than one sibling at that level simultaneously in the home. In such circumstances a combined allocation will be sanctioned and the children must be tutored together.

6.3 However, in recognition of the differentiated needs of some siblings, applications for separate allocations will be considered on a case by case basis. Applications in this regard will require supporting documentation, including professional reports from a psychologist or a letter from the principal of the school, detailing the existing arrangements currently in place for the respective children and providing reasons why they cannot be tutored together in the home.

7 Criteria for the Provision of Grant Aid

7.1 Qualifications of tuition providers and requirements

As tuition takes place outside the usual school structure it is important that home tutors are qualified to provide an educational programme. Accordingly, it is a condition of the scheme that parents must recruit a tutor who is;

a) **Qualified in the sector in which the tuition is being provided**

AND

b) **Registered with the Teaching Council of Ireland.**

Note: The teaching council registration must be valid for the duration of the scheme up to and including the payment date.

7.2 Where all efforts have failed to secure the services of a teacher qualified to teach in the sector concerned, the Department may consider the engagement of a person **who**

is registered with the Teaching Council and has a primary degree (minimum Level 7 on the National Framework of Qualifications) in a relevant area.

- 7.3 It is a requirement of the scheme that Tutors have to notify the Teaching Council of Ireland to make their details available on the Teaching Council website in order for this Department to verify that teachers have current registration. This is done by sending notification to the Council. Further information is available on www.teachingcouncil.ie
- 7.4 To be eligible for the qualified rate of payment, a tutor must be registered and recognised by the Teaching Council of Ireland in the sector (primary or post-primary) in which the tuition is being provided.
- 7.5 Tutors, who are retired, who are registered with the Teaching Council of Ireland and who are in receipt of payment of a public service pension will be paid at the modified rate.
- 7.6 **Parents/Guardians are not permitted to act as tutors for their children under the scheme.**
Parents must source a third party tutor. It is important that this Department is able to satisfy itself that the tuition has been delivered in line with the conditions of the scheme and that the funding available is used for the intended purpose. This can only be fully achieved by parents verifying that the tuition was delivered in accordance with the sanction received and by tutors verifying that they provided the tuition.
- 7.7 **Acting as a tutor for multiple children on a 1:1 basis**
Where tuition is being delivered on a 1:1 basis to two, three or four children under the scheme a timetable must be submitted under separate cover, detailing the provision of hours to each child.
- 7.8 **Not eligible to deliver tuition**
Teachers who are currently availing of any of the following paid or unpaid schemes - maternity leave, sick leave, disability pension, early retirement schemes or any approved leave of absence are **not eligible** to deliver the tuition. Teachers who are on a career break should refer to the web book Terms & Conditions of Employment for Registered Teachers in Recognised Primary and Post Primary Schools with regard to their eligibility to work as a tutor. The maximum days in the primary sector is 90 days, in post primary it is a maximum of 300 hours in a school year.
- 7.9 **Vetting Arrangements for Tutors**
All tutors must be vetted prior to commencing the delivery of tuition.
- 7.10 Parents must satisfy themselves that all tutors have applied for and have been vetted by the Teaching Council of Ireland since 29th April 2016 via the Teaching Council's online vetting process.

- 7.11 Full information for Tutors in relation to the process of applying for vetting is available at: <http://www.teachingcouncil.ie/en/Vetting/Guide-to-applying-for-Vetting>
- 7.12 It should be noted that this is a requirement for all tutors and that the process can take approximately four weeks.
- 7.13 Parents can confirm that tutors are vetted by viewing the result of the tutors vetting search, known as a vetting disclosure, which the tutor can share through the Teaching Council's secure online vetting facility called Digitary.
- 7.14 Please note that each application for Home Based July Provision Grant must be accompanied by a Statutory Declaration Form and a Form of Undertaking (Appendices 1 & 2 respectively of the relevant Application Form). A Statutory Declaration is regarded as valid if it is made in the same or previous calendar year.

8 Child Protection Issues

- 8.1 Information on Child Protection issues can be obtained by accessing the following: <http://www.education.ie/en/Parents/Information/Child-Protection/Child-Protection.html>
