

25 June 2021

The NCSE have developed resources to support the home and school-based Summer Programme 2021. They can be accessed on:

<https://ncse.ie/summer-programme>.

The aim of the resources is to support tutors to provide fun and engaging learning experiences for students that focus on consolidating relationships with their schools, support physical, social and emotional well-being, developing resilience, building their confidence as learners and developing skills and routines to support successful transition into the next stage of their school.

Resources available are:

Student Well-being

Using Technology

Learning to learn

Literacy

Numeracy

Academic Core Skills

Webinar – Navigating the Social Environment Post-Covid
