Industrial Action

BULLETIN 3 ASSESSMENT

1 September 2017

INTO congratulates our members on their stalwart support for the continuing action against the ongoing attacks on the education system arising from the savage cuts to the education sector, and from the unreasonable actions of management side in relation to teachers' pay.

INTO members continue to be on industrial action in relation to three areas;

- **ASSESSMENT**
- **Workload**
- **Pay and Conditions**

In relation to **ASSESSMENT** INTO members are to continue industrial action in relation to End of Key Stage Assessment, as set out in previous bulletins, until further notice.

In preparation for 2017/18 members are advised:

- To take part in CPD in relation to End of Key Stage Assessment arrangements only where paid substitute cover is available, and the training takes place during the school day;
- Schools taking part in Shared Education may submit levels on a pilot basis, based solely on teacher judgement, without the necessity to provide portfolio evidence;
- On a purely voluntary basis teachers may undertake moderation in relation to levels.

Any member who feels that they are being asked to undertake unreasonable workload in relation to assessment should contact INTO.

Any change to this industrial action will be communicated to members immediately.
