Part 2

Criterion C – Developing Post based on Additional Enrolments after 30th September 2021

(For October 2021 Appeals Board Meeting Only)

This criterion applies only to those schools provisionally sanctioned for a developing post(s) which did not reach sufficient enrolments on 30th September 2021 to retain the post. As this criterion relates to verification of actual enrolment on 30th September 2021, the Appeals Board can only consider appeals under this criterion at the October Appeals Board meeting.

Where the Board considers that, in relation to the granting of a post under the developing school criterion, the projected pupil numbers required to retain the post were enrolled or are likely to be enrolled by the last day of term in December 2021, but due to circumstances outside the control of the school were not enrolled as expected on 30th September 2021, it may grant an appeal post.

A post allocated by the Board under this criterion will be sanctioned on a provisional basis subject to confirmation of the required enrolment being achieved by the last day of term in December 2021.

1. Required enrolment on 30th September 2021 for retention of developing post: _____
2. Enrolment achieved on 30th September 2021: _____
3. Why was the required enrolment as projected not achieved on 30th September 2021?

4. Provide details of the pupils expected to enrol and reason they were not enrolled in school on 30th September 2021:

5. In relation to each pupil who will be enrolled after 30th September and who are being counted as part of this appeal, the documents at (a) and (b) below must be provided:

(a) A letter from the parents / enrolment form stating the expecting date of enrolment of the pupil(s).

and

(b) A letter from the school(s) where the pupil(s) was previously enrolled in on 30th September 2021 verifying that he/she is not required to be counted as part of the school's valid enrolment for the appointment or retention of a teacher. For staffing purposes a pupil can be included in the enrolment of just one school in any school year. The Appeals Board will consider allowing the pupil to be counted as part of the enrolment for staffing purposes in the school to which s/he transferred.

or

A letter from each child's parent/guardian stating that the child was not enrolled in any other school on 30th September 2021.

As part of Budget 2012 measures, the pupil thresholds in small schools were increased. This appeals criterion is applicable to these schools and they may submit an appeal in either of two instances:

1. Where a school with four classroom teachers or less which is losing a classroom post for the 2021/22 school year provides supported evidence that the enrolment will increase sufficiently by 30th September 2021 to retain the post for the subsequent school year (i.e. the 2022/23 school year) the Appeals Board can allow the school to retain the classroom post.

or

2. Where a school with three classroom teachers or less is not gaining a classroom post for the 2021/22 school year but can provide evidence that it will gain the additional classroom post for the subsequent school year (i.e. the 2022/23 school year), the Appeals Board can allow the school to gain a post for the 2021/22 school year.

or

3. Where a school that is due to have 1 classroom teacher for the 2021/22 school year based on the current staffing schedule but is projecting an enrolment of at least 13 pupils for 30th September 2021 and has at least 6 class groupings, the Appeals Board can allow the school to gain/retain a post for the 2021/22 school year.

Part 2

Criterion G – Alleviating some of the pressure on class sizes at infants level

This appeals criteria is targeted at schools that are not gaining an additional teaching post under the developing schools criteria but nevertheless make a significant contribution to the provision of school places which assists the response to demographic growth within their area and as a result are under significant pressure on their class sizes at infants level. A key indicator in relation to these schools is a significant increase in junior infants enrolments.

No. of Junior Infants enrolled on 30th September 2019
(must be a minimum of 30 junior infants)

No. of Junior Infants enrolled on 30th September 2020
(must be higher than the 30th September 2019 enrolment)

Projected no. of Junior Infants enrolled on 30th September 2021
(must be higher than the 30th September 2020 enrolment)

If an additional post is sanctioned by the Appeals Board please state the (projected) breakdown of class groups per teacher for the 2021/22 school year:

| Class Groups | No of Pupils |

Schools are reminded that in the context of seeking additional resources from the Department under this criteria it is very important that the projected enrolment is realistic.

Schools are required to ensure that the number of pupils in any class is kept as low as possible and to use their autonomy, where possible, to implement smaller class sizes for infant classes.

Please state below the key steps your school is taking, in particular for infant classes, in order to comply with this requirement for the 2021/22 school year:
