Panel access for fixed-term/temporary (this includes substitute) and part-time teachers to the Supplementary Redeployment Panel for the 2014/15 school year

Part 1

1. Introduction

The purpose of this circular is to set out the arrangements for access to the supplementary redeployment panels for the 2014/15 school year for eligible registered primary teachers in fixed-term/temporary positions (this includes substitute positions) and part-time positions in recognised primary schools.

2. Structure of the Panels

- (i) Each main redeployment panel is created for surplus permanent/CID holding teachers in order to ensure that permanent vacancies (and fixed term vacancies where required) are offered in the first instance to these teachers.
- (ii) The Supplementary Panel is created for eligible primary teachers in fixed-term/temporary positions (this includes substitute positions) and in part-time positions who meet the relevant eligibility criteria outlined in Part 2 of this circular.
- (iii) The Supplementary Panel, set up in accordance with the arrangements set out in this circular, will be used for appointments to full-time **permanent** teaching posts in primary schools but only where those posts are not otherwise required to facilitate the redeployment of surplus permanent and CID holding teachers. The relevant details are set out in FAQ format on the Department's website.
- (iv) The Supplementary Panel is not used to fill fixed term positions in schools.

3. Phasing Out of Supplementary Special National Panel

Since the end of the 2012/13 school year the Supplementary **Special** National Panel is being phased out and no new applications are being accepted. This decision by the Department of Education and Skills reflects the wider availability of primary teachers who are qualified to work in all settings (which was not the case when this panel was originally set up). Access to the Supplementary Special National Panel for the 2014/15 school year will be confined to those teachers who were on the Supplementary Special National Panel in the 2013/14 school year and who did not secure a permanent teaching post. The Department will contact these teachers directly by email in due course.

This Supplementary Special National Panel will be used only for filling permanent teaching posts in special schools that are not otherwise required for the redeployment of surplus permanent/CID holding teachers.

The Main Special National Panel for surplus permanent/CID holding teachers will continue to operate in the normal manner in respect of relevant posts in all schools.

4. Application process for access to panels

- (i) Eligible fixed-term/temporary teachers (this includes substitute teachers) and part-time teachers who wish to apply for access to the Supplementary Panel must complete the application form in **Appendix A**.
- (ii) The redeployment process for the 2014/15 school year will, on a pilot basis for that year, give an opportunity for teachers being placed on main panels and Supplementary Panels to indicate (by tick box on the application form) if they are particularly interested in being redeployed to a school that operates through the medium of Irish. This pilot approach will be reviewed in Autumn 2014.
- (iii) In completing this form, teachers are required to self-declare on their application that they meet the relevant eligibility requirements set out at Part 2 of this circular. Application forms from teachers **must** be fully completed and legible. Applicants who do not provide the required information **will not** have their applications processed nor be considered for inclusion on the panels.
- (iv) If, during the course of the 2013 calendar year, an applicant worked in schools situated in more than one panel area (e.g. schools in two different dioceses) then the application for inclusion on a panel must relate to the panel area where the majority of the service in the 2013 calendar year was given or the panel area in which you are currently teaching providing that you are contracted (as a minimum) to teach in this panel area from 13 December 2013 to the end of the 2013/14 school year. The base school for panel purposes is the school within that panel area where the majority of teaching service was given in the 2013 calendar year or the school in which you are currently contracted (as a minimum) to teach from 13 December 2013 to the end of the 2013/14 school year.
- (v) To simplify the application process, the Department will use existing Payroll and other relevant information held centrally in the Department to check eligibility conditions.

- (vi) Applicants are advised to ensure that any outstanding pay arrears and/or salary scale issues which will result in satisfying the eligibility criteria outlined in Part 2 of this circular, are resolved with the Department's Primary Payroll Section before **Friday 13 December 2013**. Primary Payroll Section can be contacted by emailing primtch_payroll@education.gov.ie. The onus is on the teacher to have any payroll matters resolved before this closing date as under no circumstances will the Primary Teacher Allocations Section accept Supplementary Panel application forms after this date.
- (vii) All teachers applying for access to redeployment panels must include their contact e-mail address in a clear and legible format so as to facilitate the efficient operation of the panels. This e-mail address may be used by a primary school as the main point of contact with a teacher and failure by the teacher to respond within the required timelines set out in the redeployment arrangements, i.e. three calendar days, may lead to a teacher being removed from the panel.
- (viii) Completed forms must be received in the Department on or before **Friday 13 December 2013** at the following address:

Primary Teacher Allocations Section
Department of Education and Skills
Cornamaddy
Athlone
Co. Westmeath

It is important to note that under no circumstances will late applications be considered for inclusion on these panels. Proof of postage should be retained by the teacher.

- (ix) It is the Department's intention to notify applicants of the outcome of their application by 31 March 2014 or as soon as possible thereafter.
- (x) Checks will also be carried out at appointment stage in respect of those teachers that are being appointed to permanent posts from these panels. Schools and teachers should therefore note that this checking process may invalidate a proposed appointment.
- (xi) Teachers placed on the Supplementary Panel who subsequently take up a teaching post for the 2014/15 school year must inform the panel operator immediately by email.
- (xii) Teachers placed on the Supplementary Panel who decide to leave the panel for any reason must inform the panel operator immediately by email. Teachers should note that they cannot subsequently be reinstated onto the Supplementary Panel.

5. Notification of circular to staff in your school

Please bring the contents of this circular to the attention of any relevant staff in your school.

6. Review

The operation of these arrangements will be reviewed with the relevant education stakeholders in late 2014 to determine what adjustment, if any, is required for subsequent school years.

Please note one of the changes that will be introduced for the 2015/16 school year is that eligibility for the Supplementary Panel will be confined to those teachers that have met in full all outstanding conditions/satisfied all shortfalls at 31 August 2014 (i.e. teachers that are fully qualified and probated by that date).

7. Queries

The main focus of the Department's Teacher Allocations Section is on the teacher allocation process and the preparation of the main redeployment panels for permanent and CID holding teachers.

It therefore has very limited capacity to deal with individual queries in relation to this circular.

Such queries will, as appropriate, be dealt with by e-mail only at the following e-mail address: supplementarypanel14@education.gov.ie

Please note that in no circumstances will the closing date of Friday 13 December 2013 be extended even in the event that a response to a query is not issued prior to that date.

Hubert Loftus,
Principal Officer
Teacher Allocations Section
8th November 2013

3. Service not reckonable for Supplementary Panels

Applicants **must** declare on the application form at Appendix A whether permanent service and/or incremental credit as set out in the table below has impacted on their current salary scale point.

Part-time teachers who wish to be considered for access to the panel are required to meet the same eligibility criteria as set out above in (a) and (b). However, the salary earnings threshold for 2013 (€29,000 or €26,100 as appropriate) will be adjusted on a pro-rata basis in respect of such part-time teachers. This will be done by the Department on a case by case basis in respect of each application that is received from part-time teachers who otherwise meet all of the eligibility requirements.

5. Teachers who took unpaid maternity/adoptive leave in 2013

The salary earnings thresholds will also be adjusted on a case by case basis in respect of teachers that were on unpaid maternity/adoptive leave while employed in recognised primary schools during 2013.

6. Salary Scale Points

Teachers should know their incremental salary scale point or be able to calculate it from a current payslip.
