

## Support primary education in Budget 2020

Standards of entrants to teaching, pupils' reading levels and public satisfaction with education are high, **BUT class sizes and funding are bottom of the league and school leaders require supports.**

## Reduce Class Size

Primary school classes are the largest in the Eurozone, five above the EU average of 20. A planned reduction, starting in 2020, is vital.

*Cost (reduce class size by one)*

2020: €4.5m

Full year: €13.5m

## Support Leadership

Workload burdens are making school leadership impossible. We need a leadership and management day per week for teaching principals and restoration of promoted posts.

*Cost (one day per week and phase 2 of post restoration)*

2020: €5.2m

Full year: €15.5m

## Fund Our Schools

Capitation grants were cut by €30 in the recession. Full restoration is urgently needed to fund basic costs.

*Cost (restore fully to pre-cut level)*

2020: €4.2m

Full year: €12.5m
