## Northern Ireland Teachers' Council Teachers' Pay Campaign

We have identified a range of questions for candidates in the NI Assembly Election.

If you are canvassed by candidates, please ask parties to answer the questions overleaf.

# Questions for Canvassers

**Question:**

What is your party's position on teachers' pay?

**Question:**

If elected, what are you going to do to settle the teachers' pay dispute?

**Question:**

Will you ensure that the issue of teachers' pay is on the agenda of the political parties in any post-election political negotiations, including in any new or revised 'Stormont House' Agreement or similar?

**Question:**

What will you do to address the succession of pay cuts exacerbated by inflation for over a decade, which has negatively impacted the ability of the profession to continue to attract new entrants against other graduate professions?

**Question:**

What will you do about the huge rises in energy costs and the National Insurance increases which will add to the already devastating impact of the attacks on teacher and school leader pay levels since 2010?
